## **Tolly Fest 2025**

Dear Members,

We are pleased to announce Tolly Fest 2025, marking the fourth edition of our vibrant annual Club carnival that began in March 2022. This year, the Fest will last for 10 days, from Friday, 10<sup>th</sup> January, 2025, to the Grand Finale on Sunday, 19<sup>th</sup> January, 2025. Following wide demand, we are introducing Pickleball as a new activity this Tolly Fest, which we had featured as a fun activity last year. In addition to competitive events, the Fest will feature a diverse range of cultural performances, children's activities, entertainment, and pop-up events throughout the entire duration.

Building on the success of previous editions, Tolly Fest 2025 promises to be an exhilarating and well-organized mega-event. The Fest aims to promote and celebrate sporting and cultural excellence through healthy competition, fostering camaraderie and connections across disciplines. Our Sub-Committees are diligently working to create inclusive events with exciting qualification rounds that will enhance the Club's festive calendar.

In response to members' enthusiasm for multiple disciplines, this year, as in the past, members can participate in up to four disciplines, which may include a maximum of two sporting and two cultural or cerebral activities. If you have been following, we have already kick-started the fest with several workshops, clinics, orientations to make the run-up to the qualifiers more engaging and fun. Please do participate in these workshops.

All member categories are welcome to participate, with the exception of outstation reciprocal club members. Please submit separate entries for each family participant. The sign-up process remains consistent with last year.

We will maintain the same eight team names from last year to ensure a fair team selection process. The Tolly Fest Tab on the Club App contains information on team selection, Fest rules, and more.

A dedicated Core Committee, chaired by Mr. Sujoy Banerjee, immediate Past President, is overseeing the Fest. Your enthusiastic support and active participation are vital to making Tolly Fest 2025 a remarkable success.

**The Registration circular will be issued shortly. We encourage you to register and ensure your availability during the Fest dates and qualifying rounds. The success of the Fest and team performances relies largely on member engagement, and Tolly is counting on your active participation.**

Even if you're not participating, choose a team to support and join us in cheering them on! Team supporters will have a chance to win lucky dips and prizes.

Wishing you and your families all the best for the festive season.
